

## STUDENT PROMOTION, RETENTION OR ACCELERATION

Students will be promoted to the next grade level at the end of each school year based on the student's achievement, age, maturity, emotional stability, and social adjustment.

Students will normally progress annually from grade to grade. Exceptions may be made when, in the judgement of the teachers and the principal, such exceptions are in the best educational interest of the students involved. Exceptions will always be made after prior notification and explanation to the student's parents, but the final decision will rest with school authorities.
