

PERSONNEL QUALIFICATIONS

The district ensures that personnel necessary to carry out the Individualized with Disabilities Education Act requirements are appropriately and adequately prepared and trained, including that those personnel have the content knowledge and skills to serve children with disabilities.

Nebraska Department of Education document “Supporting Document to Checklist of Required Special Education Policies, Procedures and practices for Part B of the Individualies with Disabilities Education Act” shall serve as an administrative procedure to this policy.

The entire document can be found at <http://www.education.ne.gov/sped/regulations.html>.
