Subject: Alpha Gamma Sigma Scholarship

Dear Sir or Madam,

We hope this letter finds you enjoying a successful start to the spring semester! We as recruitment chairmen would like to inform you of the scholarships that our organization is offering. Alpha Gamma Sigma, along with our Educational Foundation has set **two \$500 scholarships and one \$200 scholarship**. These scholarships are offered to young men that will be graduating this spring. We encourage any of these gentlemen who are planning on attending the University of Nebraska-Lincoln and have an interest in the Greek system to apply. The intent of this scholarship program is to encourage students to take a look at what the Greek System, and Alpha Gamma Sigma has to offer.

Alpha Gamma Sigma fraternity has embraced a high standard of goals and values as we strive to develop each individual member to their highest potential. We do this through recruiting quality young men and providing them with an environment that allows them to excel academically and professionally. This is accomplished through living by our thirteen principles: *honesty, cooperation, fellowship, leadership, scholarship, self-reliance, health, sacrifice, sportsmanship, sociability, obedience, temperance, and perpetuation of morality.*

We are known on campus for our strong and diverse membership. Our members come from small towns all around the state of Nebraska and our members have gone on to establish successful careers after graduation. The success of our Fraternity is measured by the success of our members and we can ensure our success by living our mission statement: *Preparing men for life by: Coming together as scholars, Living as brothers, Becoming leaders of tomorrow.*

Enclosed with this letter is an application and flyer. We would greatly appreciate it if you would post the flyer where students will see it. The application is very short, requiring only a resume and a 250 word or fewer essay answering the question provided. We hope you encourage your students to apply. This gives us the opportunity to get to know the applicant on a higher level. Applications are **due April 1, 2011**, and can be sent to:
