

## **Alpha Gamma Sigma Scholarship**

Alpha Gamma Sigma is a nationally recognized fraternity located on East Campus at the University of Nebraska-Lincoln. We are primarily an agriculturally based fraternity but our members have a wide array of majors. The brothers of AGS currently hold positions in many groups and organizations across campus. Scholastically, our chapter ranks among the best of the Greek community. Our strong alumni base offers current and former members the chance for internships and a wide variety of career opportunities. The Greek life offers scholastic success, a nation-wide reference network, and life-long brotherhood. If you are a graduating senior and are interested in going Greek please talk to your guidance counselor for more information and ask about the application for the Alpha Gamma Sigma Scholarship, worth up to \$1000.

Please send to Alex Brodersen, 4001 Holdrege St, Lincoln NE, 68503 and have post marked by May 1<sup>st</sup>.

Preparing men for life by:  
Coming together as scholars,  
Living as brothers,  
Becoming leaders of tomorrow.
