- Discussed Professional Learning and Quality Planning and where we think we are ranked.
- Rank different buildings separately on these items using stickers.
    - We mostly felt like we are right in the middle, for the fact their is to much stuff going on for the teachers that we never feel like we can be good at one thing. Everything/Everyone feels disconnected.
- List all activities that work on Comprehension in buildings.
    - Small Groups
    - Vocabulary
    - Time
    - Updating Materials
