

1. Share each SI committees discussion items for the day
2. Explain the Journey process
  - Surveys
  - Inventories
  - Observation of Learning Environment
  - Quality Factors Diagnostic (clear direction, healthy culture, high expectations, impact of instruction, resource management, efficacy of engagement, and implementation capacity)
3. Share items for the students and parents survey.
4. Discuss when and how to give the survey to students and parents.
5. We need to report a Student Inventory. We need to compare Brit bytes inventory to eProve inventory to see what information we are missing.
6. We need to report both an Educator Inventory and Educator Survey. We need to compare the rubrics we completed last year to the eProve inventories and surveys to see what information we are missing.

Surveys find out what stakeholders *BELIEVE* about the quality and experience of schooling. Grades 3<sup>rd</sup>-12<sup>th</sup>

Inventories find out what stakeholders *EXPERIENCE* within the school community. Grades 3<sup>rd</sup>-12<sup>th</sup>
